## ERASMUS+ PROJECT: SERIOUS GAMES FOR CREATIVITY AND SOCIAL COHESION IN TEACHER EDUCATION

PROJECT NUMBER: 101128757; EDUGAME PROJECT HAS BEEN FUNDED BY THE EUROPEAN COMMISSION THROUGH THE CBHE ACTION AS PART OF THE KEY ACTION 2 PROJECTS (CALL: ERASMUS-EDU-2023-CBHE; TOPIC: ERASMUS-EDU-2023-CBHE-STRAND-2).

The EduGame project, led by **Vytautas Magnus University (VMU), Kaunas, Lithuania**, aims to train future teachers in **social sciences, humanities, and IT** by integrating educational technologies and serious games to promote **human rights, democracy, and social cohesion** in education.

### MODERNIZING TEACHING WITH THE EDUGAME LABORATORY

As part of the Erasmus+ EduGame project, **existing courses have been modernized, and new subjects introduced**. The equipped laboratory provides students with the opportunity to practically apply modern technologies in teaching, opening doors to innovative education through:

- ✓ Interactive teaching methods
- ✓ Simulations and educational games
- ✓ A multidisciplinary approach to learning

The equipment acquired through this project will enable **Pedagogical Faculty** students to gain essential knowledge and skills for contemporary education.

## NEWLY EQUIPPED EDUGAME LABORATORY

Among the first in Bosnia and Herzegovina, **Pedagogical Faculty**, University of Bihać conducts teaching in the newly equipped **EduGame** laboratory for serious game development.
